

## CAST Receives ISO 9001:2015 Certification

**Woodcliff Lake, New Jersey — March 30, 2022** — Semiconductor Intellectual Property provider CAST announces today that it has received the ISO 9001:2015 certification by *Performance Review Institute (PRI) Registrar*.

Performance Review Institute (PRI) Registrar recognizes Computer Aided Software Technologies, Inc. (CAST) for having met the stringent requirements of ISO 9001:2015 international standards, for their ongoing commitment to satisfying stakeholders, and their dedication to continual improvement of their management system. The scope of certification covers the development, as well as the sales and support of silicon intellectual property (IP) cores provided by CAST Inc.

“The ISO 9001:2015 certification endorses our supreme quality solutions and services. We are particularly honored to receive this recognition because it validates our decades-long quality efforts in the IP industry, for which CAST has set a standard”, said Meredith Lucky, CAST VP of Sales and Quality Standards.

“CAST Inc. has demonstrated its commitment to world class quality and management standards by implementing and becoming certified to the ISO 9001:2015 standards. They have joined an elite number of organizations worldwide who have achieved certification to this globally recognized standard,” said Randy Daugharthy, Director of the Registrar Program at the Performance Review Institute Registrar. “PRI Registrar is proud to partner with CAST Inc. in this accomplishment and looks forward to the continued support of their objective of quality excellence.”
